## HOMES WANTED WITHIN 12 MONTHS

The Altona Shire Engineer, Mr. R. C. Simmons, says the Country Roads Board wants to take over homes on the new freeway site within a year.

All are around Millers-rd.  
Homes further west of Millers-rd. will be  
anted within two years, Mr. Simmons says.  
Seventy-two homes will be affected.

The engineer made the comments in a special report to the council on the planned approach and from the Geelong-rd. to a Lower Yarra Bridge. The Lower Yarra Crossing authority is aiming to complete the bridge and bridge approaches extending from Salmon-st. in Port Melbourne to approximately 200ft. east of Williamstown-rd. Williamstown by December, 70. The State Government has decided that the Country Roads Board be the authority responsible for the design and construction of the roadways leading to the bridge approaches. Mr. Simmons said the Board is investigating possible alternative routes and it has been decided that the route that will affect the minimum number of use owners is one that generally follows the State Electricity easement. However, it is impossible to use the whole width of the easement and to utilise a width only 70ft of the easement

## BROONS MAY NOT BUILD

Broons Estate may not be  
opened up for houses after  
all.

After the letter from Mauri Bros & Thomson was tabled and discussed at last week's council meeting, Cr. J. J. Ginifer moved a notice of motion.

It was that the council rescind its approval of the subdivision of the estate for houses.

It will be discussed in council next week, although it will be probably voted on without discussion.

The councillors did not discuss the matter when Cr. Ginifer moved his notice of motion at last week's meeting.

Until such time as the CRB completes final detailed plans of the freeway, which involves the interchange at Millers-rd., the exact boundaries of the freeway reserve cannot be fixed.

The CRB will advise the property owners concerned and will arrange for compensation.

In this connection, with a view to completing the freeway by December, 1970, the Board desires that acquisition of properties in the vicinity of the Millers-rd. interchange be finalised within 12 months.

The acquisition of properties further westerly will probably require to be finalised within two years, Mr. Simmons said.

## CR. LEE STANDS FIRM

Cr. H. W. Lee has refused to withdraw  
his comments about opposition to Broons  
Estate.

A month ago the industrial and food processing firm of Mauri Bros. & Thomson appealed to the Altona Shire Council to stop the establishment of 800 homes on Broons Estate on Grieve Highway.

The estate would be right next to Mauri's metal stamping mills and fat rendering plants already built or are on the drawing boards.

When Mauri's presented their case, Cr. Lee said that if Mauri's were so concerned with houses being built near their factories, then they were not altogether honest when they asked the council if they could build in Altona.

Cr. Lee said that when Mauri's first approached the council, Mauri's had specifically stated that their factories would cause no nuisance.

In a letter to the council, Mauri's lawyers, Hederwick, Fookes and Alston, said:

"It is true that a representative of our client did originally inform the council that its activities would cause no nuisance by way of unpleasant odours and the like; but we point out that this statement was made in the context of your council's planning scheme, which showed the area selected for the proposed development by our client as being in the centre of an industrial area."

"There was never any suggestion at that stage that there

is it contemplated that any such nuisance or annoyance will be caused by our client in the future. It is only if the council permits residential development in the area surrounding our client's location that any nuisance or annoyance could result from our client's industrial activities."

"In the circumstances, we deplore the suggestion made in full council meeting that our client deceived the council in any way or, indeed, has been guilty of any breach of faith. This is the more regrettable since a similar allegation was made by the same councillor when the company's representatives met your council's planning committee recently, was answered in the above terms on that occasion and yet was repeated by them in open council when, after the resumption of standing orders, there was no opportunity of our client's representatives answering the allegation."

At last week's council meeting when the letter was tabled, Cr. Lee said: "I still stick to that opinion."

He added: "Mauri Bros. gave no indication that they were trying to escape the public. It only points up to a breach of faith."

"We took the precaution of asking what sort of nuisance they would cause, and they said none. But now they qualify it. It's like saying something with your tongue in your cheek."

"They should have told us they were escaping the problems of the past."

"I repeat. If they had given us the information earlier, we would never have made the decision to approve of Broons Estate."

"But Mauri Bros. will not have a licence to pollute the air whether or not there is houses or industry around their plants," Cr. Lee said.

Cr. W. G. Cresser, who also spoke against Mauri Bros. when the company presented their petition, said: "I take offence to the lies they told."

"They want the State Development people and told them a different story to what they told us."

## Education Minister As Guest Speaker

The new Minister of Education, Mr. Lindsay Thompson, will be the guest speaker at the next meeting of the Altona High School Parents and Citizens' Association to be held at the school on July 3.

Mr. Thompson will speak on "Modern Development of State Education."

Prior to the meeting he will be present at a buffet dinner to be attended by members of the committee.

Parents of all students are invited to the meeting, which will commence at 8 p.m.

## SEWERAGE SOON

Sewerage of houses in the western end of Altona is closer. Money has actually been set aside for this work.

Cr. J. J. Ginifer, MLA, Commissioner of the Board of Works, announced at last week's Altona Shire Council meeting that money has been appropriated by the Board for work in the first section of Altona South to be sewered.

Construction is scheduled for during the 1967-68 financial year. The section includes all properties west of Maidstone-st. and west of Grieve Highway between the Geelong railway line and Wren-st.

It is divided into five reticulation areas.

The whole of Altona South is expected to be sewered within three years, said Cr. Ginifer.

Tenders have already been accepted for pipes for the deep sewer to run from the purification works to the west end of Civic-pde.

The Board should soon call tenders for this work.

Critical work at the purification works being established west of the golf links are ahead of schedule and the engineer in charge believes the plant will be completed as planned by November, 1968, reported Cr. Ginifer.

He said from Queen-st. only mounds of earth can be seen, but on inspection he was agreeably surprised to see the amount of work completed.

Nearly finished is a cement-lined well 70ft. deep by 35ft. wide.

Approximately 10 per cent. of the estimated \$2,200,000 it will cost to build the purification works has been spent.

In the Altona North area all contracts are let or about to be let for most of the unserved

parts. Works in this area connect to the main metropolitan system.

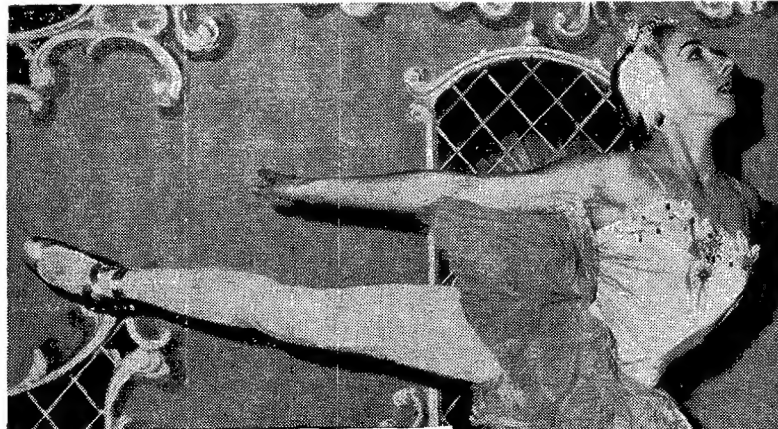

Not scheduled as yet for sewerage is the area south of McIntosh-rd. between Millers-rd. and Fifth-ave. and an area west of Millers-rd. between the high and technical schools.

## DEPUTATION MEETS MINISTER

A deputation of Altona North residents whose properties are affected by the Lower Yarra Bridge Freeway is meeting Mr. M. V. Porter, Minister of Public Works, in his office this morning (Thursday) at 10 a.m. Executives of the Country Roads Board are expected to be present.

The deputation will ask for clarification of compensation payments; if the CRB is prepared to buy suitable land on which to re-settle people losing their homes; if the CRB would be prepared to finance older couples who, due to their age, will have difficulty in borrowing from private sources; and discuss other problems confronting the owners.

## Ballet Winner

Eighteen-year-old SUE WOOD, of Seaview-cres., Seaholme, has won the Imbisi Senior Scholarship for Cecchetti students.

The \$150 prize will go towards furthering her ballet studies. Dancers from all over Victoria competed for the scholarship. The six finalists were judged last Friday night. Sue danced the Odette solo from "Swan Lake" and the Glove Seller from "Gay Parisians."

Her teacher is Madame Saronova, of the Australian National Theatre Ballet School.

On July 1 Sue will be a soloist in each of the ballets to be presented at two performances at the National Theatre. In the evening she will dance in "Les Sylphides," "The Four Horsemen of the Apocalypse" and "Bagatelle."

At a special children's matinee she will be seen in "Les Sylphides," "Peter and the Wolf" and "Highlights from the Classics." Tickets for both performances, at \$1.25 adults and 80c children, are available and may be obtained by ringing 65-9456.

Sue, an ex-student of Altona High School, is a second year science student at Melbourne University.

## CHANGE OF NIGHT FOR COUNCIL

Altona Shire Council will meet next Tuesday instead of on Monday night.

It seems the council could be meeting on the second and fourth Tuesdays in both July and August.

Cr. J. J. Ginifer moved the change of date for next week's meeting.

He said council meetings changed from Tuesday to Monday nights out of consideration for himself and his parliamentary duties. However, it is causing some difficulties to other councillors.

Cr. Ginifer pointed out that parliament is in recess and the meetings could revert to Tuesdays.

## ARTS FESTIVAL

The Arts Festival to be held next month should be good for Altona.

The comprehensive program arranged by the Arts Council leaves little to be desired.

It can be said that art is the expression of a mood or feeling by voice or action, by pen or brush or tool, in such a manner as to transfer that emotion to others also. The appreciation of art is when the artist and the onlooker have sympathetic understanding.

Each of the many varied sections of the Arts Festival has in common this communication and appreciation of art. Even where nature herself is the artist as in the flower show this is true for—

"Even the meaneast flower that blooms  
Can give feelings too deep for words."

The appreciation of art is essential to a fuller life.

This complete Arts Festival will give Altona people opportunities to show their expressions of their art and their accord with the artistic work offered.

This will be the first Arts Festival in Altona. The organisation and efforts of the various groups are commendable. It seems likely that there will be good patronage for each activity. But the real success of an arts show is art for arts sake—not only a good audience, but a receptive one also—one where the artist can feel he has got his message over.

In this sense we wish the Arts Festival and all its participants the fullest success.

## ALTONA DRAW IN HOCKEY

Altona and Ivanhoe drew in the A Reserve hockey game at Grant Reserve, Altona, last Saturday.

Ivanhoe, second top team, were quickly into attack with a goal in the first minutes of play. This goal showed Altona once more how slow they are to start.

After getting warmed up, the A's started to combine as a team and gave Ivanhoe little opportunity to score. When a penalty corner hit rebounded back into play off the goal post, Bruce Forrester, in position, netted cleverly for Altona, leaving the scores level at half-time.

In the second half both teams had many battles in the circles to try and score, but valuable opportunities were lost.

With luck their way, Ivanhoe scored from a half effort hit that bounced through the Altona defence.

Altona fought back with good position and solid play, backed by a much improved half line and 11 determined players.

Converting from a penalty corner, Norm and Peter Hunter put Altona back into the running. Fighting even harder Altona tried to gain a winning score but time ran out and the game ended a draw.

The effort and determination seen in this match is a credit to the Altona team.

GOALS: B. Forrester and N. Hunter.

BEST: P. Hunter, R. Smith and B. Forrester.

## B NORTH

A very "eager to win" Altona took the field, only to run out 2-0 losers to Ivanhoe. This was due to the sadly defeated and bewildered forwards.

Had they kept the game open and controlled the wet surface, they could have shot a goal or two. This team had some 10 shots at goal, of which eight were made by the half-backs.

If this team wishes to be in the four they can't afford to lose any more and must beat Powerhouse on Saturday.

BEST: Lenzyzn and Voss.

## C GRADE

At last, a win has come Altona's way. With determined hockey and 70-minutes of complete concentration, the Altona team defeated University 2-1.

Altona looked a good side and should topple some of the top teams.

GOALS: L. Smith 2.

BEST: L. Smith and C. Turner.

## E NORTH

Altona travelled out to Essendon to have a two all draw.

The A's could have won this game easily if the forward had some system in their play.

Essendon scored their two goals in the first half of play. Altona went into attack after half-time and although the forwards had much of the play down at the opposition goal, they failed time and time again to convert.

Later in the half they had a little bit of team work and netted two goals.

Players are reminded that there will be match practice at the ground at 8 a.m. sharp on Sunday morning.

GOALS: K. Waters and J. Grant.

BEST: T. Findlay, B. Smith and W. Henshall.

## UNDER-16

Altona outclassed Toorak to defeat them 5-2 in a fast, open game last Saturday.

With every player determined to win, the A's soon restored the first goal. Toorak fought back and equalled the score, but could not prevent the A's netting another four.

Altona has now moved into second position on the ladder and if every player gives a full effort there should be no reason to lose this place.

BEST: Byrne, K. Gathercole and R. Lukaszek.

## UNDER-14

Altona defeated Toorak 5-1. Had this team put more thought into their game the results would have been greater.

The only bright aspect of the game was Gary Richardson at centre-half, his disposal of the ball to the forwards was excellent.

BEST: M. Krol and G. Richardson.

## UNDER-12

Altona were tested by a strong MCC side with Australian and Olympic coach Charlie Morley coaching the MCC team.

The Altona boys started the game with very little enthusiasm and found themselves defending desperately to withstand the MCC attack.

Realising that this was going to be a tough game, Altona met the challenge and fought back with strong play by "Macca" McDonald, Geoff Studley and John Mallet.

The forward line, headed by John Forrester and ably assisted

by Phil Aitken and Ken Bennett, attacked the goals at every opportunity and finished the game with four goals between them to notch a well-earned 4-1 victory.

BEST: G. Studley and J. Studley.

### DREW-BARNES MARRIAGE AT ST. MARY'S CHURCH

(Photo by Barry Sutton—397-6017.)

Congratulations Mr. and Mrs. Neville Drew is the best man, Peter van der Poel, while groomsmen Les Barnes, bridesmaid Joan Barnes and matron of honour Helen van der Poel look on admiringly. The bride is the former Irene Janet Barnes, eldest daughter of Mr. and Mrs. L. Barnes, of Westbury-st., East St. Kilda. She was married to Neville Allan Drew, eldest son of Mr. and Mrs. A. T. Drew, of 243 Queen-st., Altona, at St. Mary's Church on Saturday, June 10. John Sayes and Ken Smith were the other two groomsmen and Judy Darlow the second matron of honour. Flowergirl was Joanne Darlow and Michael Drew page boy. The bride wore a gown of chiffon over tulle with a three-tiered elbow-length veil held by a pearl coronet. She carried a bouquet of white roses. The attendants wore lemon satin frocks with ribbon lace jackets.

### 50th Anniversary Celebrated

A number of relatives and friends of Mr. and Mrs. R. Daley, of 3 Rankin-st., Altona, were invited by their four sons to meet at the Altona Baptist Sunday School Hall last Saturday afternoon to celebrate the 50th anniversary of their parents' wedding.

The conversation went back to the past and relatives caught up with family news. Songs were sung by Mr. F. Lorrain and a recitation given by Mr. R. Hill.

Tea was catered for by the family and a wedding cake made by Mrs. Noel Daley was set.

Seated at the "bride's" table as the one remaining attendant Mr. Daley's sister, who was a bridesmaid and is now over 80. Also at the table was Mrs. Daley's youngest brother, Mr. Edward Fern-Wauman, who is the only other surviving member of a family of seven. Mr. Daley came from a family of nine—five of whom are living.

The Pastor, Rev. R. J. Reynolds, closed the celebration with appropriate remarks and a benediction.

During the afternoon the younger grandchildren were entertained in a separate room by Cheryl Martin and Vicky Anderson.

### ELDERLY CITIZENS FORM CHOIR

Early this month a choir was formed by members of the Altona Elderly Citizens' Club. The singers, both men and women, practice each Wednesday at 1-15 pm.

Choir master is Mr. Barry Rismall. Pianist is Miss O'Brien and soloist Mrs. J. Parham. The choir will sing publicly for the first time at the club's birthday party next Saturday, June 24.

Members with June birthdays were reminded to attend their party. The concert will commence at 2 p.m. More than 80 attended the monthly dance last Saturday night and enjoyed the music of a new band.

Members are reminded of times on Tuesday and Thursday afternoons, commencing at 8 a.m.

### ST. EANSWYTHE'S CONCERT

A concert for Altona residents will be presented by the parishioners of St. Eanswythe's Church of England on Friday, June 30, at 8 p.m. in the Civic Hall.

Among those giving assistance in the program are the Altona Music Society and Mrs. Eanswythe's School of Dancing. Tickets are priced at 75c for adults and 25c for children under 14.

Proceeds are to help reduce the debt of the vicarage. Tickets are available from Mrs. Barrow at Altona Toyland, Mr. George Nevitt and the vicar.

### ST. MARY'S SILVER JUBILEE BALL

To mark the occasion of the 25th anniversary of the proclamation of St. Mary's Parish, Altona, a debutante ball will be held in Williamstown Town Hall on September 14.

Arrangements are in the hands of St. Mary's Parents and Friends' Social Committee.

Any girl over 16 wishing to make her debut may contact Mrs. G. Murphy, 398-1435, or Mrs. W. Verlander, 65-8547.

### Recent Film For Film Society

"Dr. Strangelove," starring Peter Sellers, is the main feature at next Tuesday night's film night at the Civic Hall, Altona.

The program, organised by the Altona Film Society, will include three shorts—"Dial Double one," "Adma For Short" and "Canon."

Screening will start at 8 p.m. and the evening is open to the public.

### SATIN, SONG AND SORE THROATS —THE INGREDIENTS OF SUCCESS

"WE, 'The Gondoliers,' are sweeping on to success—and well on the way we are."

Still, the students of the Altona High School's Gilbert & Sullivan group brave the fog of the cold early mornings. Costumes are fitted, movements are learned, as "The Gondoliers" takes shape under the keen direction of Mr. Borg.

He has had success with the production before and is certain of it again. His drive, discipline and co-operation with students, especially those playing principal parts, is an inspiration to all.

Old faces and new will be seen on the stage this year. Remember that fat, grumpy Poo-Bae from "The Mikado," who waddled onto the stage as though he owned Japan, banged his belly with his fan and had you all in hysterics? This year Colin Simpson again has a role that is suited to his talents. He plays the comical figure of the pompous, but hen-pecked Duke of Plaza Toro. Naturally, his wife is big, broad and bossy, looking as if she could flatten him with one blow. The Duchess is played by Audrey Williams.

One of the leading ladies is Christine Styles, who once again manages to convert her "Carn the A's" at the football ground, to delicate tones for Sullivan's gentle music. She plays the part of the delightful heroine, the daughter of the Duke and Duchess of Plaza Toro. Christine is well-known in Altona for her singing success and many people

### Honour For Baptist Guild Treasurer

A most unusual and enjoyable gathering of members and friends of the Baptist Guild was opened on the afternoon of Wednesday, June 15.

The occasion was the honouring of Mrs. O. Aitken, who, for the last 20 years, has been the Guild treasurer.

This is a splendid achievement, and the ladies of the Guild expressed their appreciation with the gift of a fine hymn book.

Then Mr. and Mrs. Edisson, of Blyth-st., were greeted in honour of their Ruby wedding and were presented with flowers and suitable card.

Also to be remembered were Mr. and Mrs. R. Stewart, and Mr. and Mrs. R. Daley, who are celebrating their 50th wedding anniversaries and were also honoured by flowers and cards.

Wedding cakes provided by the ladies of the Guild were cut. Sacred songs were sung by several of the ladies and community singing of songs of 50 years ago were enjoyed by all.

Mr. A. Hill favoured with a recitation and Mr. Reynolds with songs.

An enjoyable afternoon tea was then served by the ladies.

### Salvation Army Street Stall

The Salvation Army will conduct a street stall in Pier-st., Altona, on Saturday, July 22. It has also asked the Altona Shire Council if it can sell buttons in Borraack Square, Altona North, on Saturday, July 29.

### FORTHCOMING MARRIAGE

Mr. and Mrs. T. J. OWERS, of 25 Rayner Street, Altona, announce with pleasure the forthcoming marriage of their only daughter, Carol Ann, with Morris WILLIAMS of 152 Queen St., Altona, on Saturday, June 24, 1967, at 4 p.m., at Holy Trinity, Nelson Place, Williamstown.

Carol is a stenographer at the Altona Public Library.

## Newport Baseballers Lose Place In Four

After losing 6-2 to Port Melbourne last Saturday, Newport Baseball Club's A Team have lost their place in the four and are now in seventh position.

The B Team showed much improved form to down Port Melbourne 6-2 and hold their place in the four; and the C Team continued on their winning way to beat Port 8-1 and hold top position.

The Under-17 side still show a need for more concentration to win games; Under-15 held top position with a good win; and Under-13 continued on improving and won their second match.

### MATCH RESULTS

#### A TEAM

Newport met Port Melbourne away and failed badly with the bat. Three errors were made by Newport and these were made at vital stages with runners on bases.

Newport led 2-0 early in the game, but Port fought back to score six runs, aided by hits and the three Newport errors. Newport will need to improve vastly with the bat to regain a place in the final four at the end of the season.

SAFE HITS: B. Ockwell 1, T. Forrester 1 and S. Bunting 1.  
BEST: B. Ockwell, Alan McKay and Sid Bunting.

#### B TEAM

With Jim Kelly Pitching well at Newport against Port Melbourne, the B Team showed a welcome return to form to down Port 6-2 in a very good game. Fielding improved immensely and this department, plus the good batting by the team paved the way for a good win.

A continuation of this form will surely see this side play off in the grand final.

SAFE HITS: W. Middlemass 2, B. Cleary 2, T. Meatcham 2, J. Kelly 2, B. Webb 1, G. James 1 and A. White 1.

BEST: Jim Kelly, Bill Middlemass and Tom Meatcham.

#### C TEAM

Sound pitching by Keith Smith backed up by good fielding, allowed Newport to keep Port Melbourne tied down to only one run.

Team batting forced eight runs across the plate for Newport who ran out very easy winners 8-1.

This team is in top position and on form shown so far this season, will hold this place.

SAFE HITS: P. Campbell 4, G. Williams 1, W. Thom 1, N. Higham 1, P. Cochrane 1, P. Webster 1, K. Smith 1 and B. Howard 1.

BEST: Peter Campbell, Keith Smith and Peter Webster.

#### UNDER-17

Sunshine defeated Newport 5-2. Poor batting and lack of concentration was the cause of Newport losing this game.

SAFE HITS: P. McTaggart 2, S. Cross 1 and R. Burke 1.

BEST: P. McTaggart, I. Lees and B. Esmore.

#### UNDER-15

This young team battled well and their battery of Harry Bunting (pitcher) and Geoff Thompson (catcher) obtained 13 strikeouts to defeat Preston 14-0.

SAFE HITS: H. Bunting 3 (including home run), N. Lees 3, G. Thompson 2, D. Forrester 1, E. O'Sullivan 1, H. Zanner 1, E. Fitzgerald 1 and P. Cowhan 1.

BEST: Harry Bunting, N. Lees and Geoff Thompson.

#### UNDER-13

Newport met Williamstown at Royal Park and defeated them 9-2.

This very young team are improving with every game they play and will be forced to be reckoned with by other teams. They are obtaining a knowledge of baseball and this, with the improvement in their play augurs well for the club for future years.

SAFE HITS: K. Lees 3 and P. Dyson 2.  
BEST: Ken Lees, Jeff Esmore and Peter Dyson.

### NEXT GAMES

Games for Saturday, June 24, are as follows—

A and C TEAMS play Fitzroy at Newport at 12-30 p.m.; B TEAM meet Fitzroy away at 2 p.m.; UNDER-17 are at High-st. Reserve, Newport, against Footscray, at 9-45 a.m.; UNDER-15 go to St. Paul's at 9-45 a.m.; and UNDER-13 play Preston at Royal Park (3) at 9-45 a.m. Under-13 are to meet at Masonic Hall, Newport, at 8-30 a.m.

### CLUB NEWS

The club held a very successful golf day at Lara last Sunday and it was enjoyed greatly by all who attended.

Best score off the stick was won by Harry Douglas; the handicap went to Alan White; nearest the pin was Bill Thompson; and highest score was J. Brown.

The joining fee for the Newport Baseballers' Club (\$10) is now due and all players and other persons interested are advised to pay this fee now as it is quite possible that the fee could be increased at the annual meeting in November.

The six members of committee who have authority to issue a receipt for fees paid are Bill Gledhill, Bob Anderson, Jack Cornish, Jack Richardson, Jeff Bird and Alf Gansberg.

### COUNCIL WILL BORROW \$100,000

The Altona Shire Council proposes to borrow \$100,000 for new works.

The money will be used for:

Tip and access roads, \$18,000; Apex Park (filling, grading for caravan park), \$1000; Bond Reserve (grading and grassing, water supply installation and playground equipment), \$800; Ginner Reserve (development of soccer field), \$400; Irwin Reserve (tree planting and erection of playground equipment), \$400; Kim Reserve (filling and levelling, grass and planting, filling and levelling, extension, provision of shower room), \$2000; McIntosh Reserve (filling and levelling, \$600; Hearn Reserve (levelling and provision of playground equipment), \$400; Chambers-Blackhaws-rd., to McIntosh-rd. construction of roadway) \$40,000; Ross-rd-Hatherley-gve. to Windsor-cres. construction of the roadway, \$14,000; Hansen-st. to Broadway reconstruction and widening, \$14,000; SEC briquette depot, fencing corner between Mills-st. and Mason-st., \$2400; Land acquisition, Esplanade, \$6200.

The money will be loaned to the council by the Australian Natives' Association. This amount makes a total of \$300,000 loaned by the Association over the past two years.

● Cr. W. L. J. CROFTS.

The secretary of the Altona branch of the Association, Cr. W. L. J. Crofts, stated that it was a practice of ANA to make a portion of its investable funds available to assist the progress of municipal development.

"After all," said Cr. Crofts, "the formation of the Association stemmed from the sense of community service of its founders; the organisation has made steady growth throughout the 96 years of its existence and it now actively participates in all fields of hospital, medical, life and general insurance.

## SCOREBOARD WANTED BY CLUB

The Altona Football Club wants to erect a coaches shelter and scoreboard on No. 2 oval on Grant Reserve.

Club secretary, Mr. Graeme Morrish, says it is proposed that the shelter be large enough for the coach and at least two players and that the scoreboard be constructed on the roof of the shelter.

The shire secretary, Mr. J. W. Waters, says a similar application was made to the council recently by the Central Altona Football Club in respect of a kiosk and scoreboard arrangement.

The council agreement was that the structure be erected subject to the design and construction meeting with the approval of the council's building surveyor.

This is policy with other councils it is understood and because the structure then complies with council requirements it will automatically become equivalent to council buildings on council property and will be covered by the council's public risk insurance cover.

## More Books For Library

The Altona Public Library is adding to its stock books from the Health Department.

The books are specifically designed for kindergarten directors and leaders.

Mr. L. R. James says that when all the ordered books have arrived and are catalogued, a special list will be made so kindergarten staff can select them quickly.

## ALTONA JUNIOR COUNCIL MEETING

The dog catcher gets a good haul in Altona.

The Altona Shire Secretary, Mr. J. W. Waters, told the Junior Council meeting that the council ranger catches about 20 dogs a week in Altona.

Two men from the Lost Dogs' Homes come to Altona once a month to pick up the dogs.

He said the council is trying to overcome the problem.

St. Mary's Primary School has asked in Junior Council if the shire council could do something about the number of dogs roaming the streets.

Other questions asked by the school staff were:

Could stop signs be erected in all streets on the north side of Queen-st?

The deputy shire engineer (Mr. A. V. Jokubauskas) stated that a certain amount of traffic must use an intersection before stop signs can be erected. The volume of traffic crossing Queen-st. is insufficient to warrant stop signs being erected.

Could the council please place more rubbish bins along Sargood-st and Railway-st. South near the Altona station?

The deputy shire engineer will investigate this matter.

Will the council please water the street trees in Sargood-st. adjacent to St. Mary's School.

The deputy shire engineer pointed out that two council trucks are now watering trees throughout the shire and he felt that all trees would receive water from time to time.

Cr. J. J. Ginner suggested that the Junior Councilors could ask their schools if they would accept the responsibility of watering trees adjacent to their school. This topic could be the item for discussion at the next meeting.

Could the council please supply fencing around the Koorngal Golf Course?

The shire secretary stated that the golf course is Crown Land and that the golf club has a 21-year lease from the Crown. He understands that a 6ft. high chain wire fence with barbed wire on top can be erected around the golf course. However, this matter is not the responsibility of the council.

Could the council erect a pedestrian crossing on the corner of Civic-pde. and Millers-rd.

The deputy shire engineer reported that a traffic count has been taken at this intersection and an insufficient number of pedestrians use this intersection to warrant erection of a pedestrian crossing. However, he stated that a school crossing will be erected at this intersection if Seaholme Primary School will

## News Around Town

● Excavation of the trench in which 75in. diameter drain pipes will be laid from Blackshaws-rd. to the southern alignment of the Lower Yarra Crossing Freeway is in progress. The drain runs through the Altona North Reserve.

● The spreading of crushed rock over the area to be used as a park for trailers and cars adjacent to the boat ramp at Cresser Reserve is in progress.

● The filling and levelling of the area between the recently constructed retaining wall of Cherry Lake and Millers-rd. is being continued.

● The laying of an underground drain from the southern end of Galvin-st. and leading to the existing drain in Maldstone-st. opposite Furnell-st. is being undertaken by the Board of Works. The spreading of emulsion stabilised crushed rock for the intermediate course is about to be commenced.

● Excavation of the roadbeds and spreading of crushed rock for the base course has been completed in Seventh, Sixth and Fifth-aves., between Mason-st. and McIntosh-rd., Hendren-ave., Hobbs-st., and Douglas-st. between Millers-rd. and Fifth-ave., and Berkeley-cres. The construction of concrete kerb and channelling is in progress in Fifth-ave. between Mason-st. and Hendren-ave.

accept the responsibility of looking after the flags.

Could a pedestrian crossing be erected in Civic-pde. near Sargood-st. to enable pedestrians to cross Civic-pde. to reach Grant Reserve?

The deputy shire engineer reported that insufficient pedestrians cross Civic-pde. at this point to necessitate the erection of a pedestrian crossing. The item was referred back to the school to ascertain the problem and calculate the number who would use such a crossing.

Unclean filling is being dumped on land in Queen-st. near Apex Park. Could the council please do something about this?

Council to investigate this matter.

## Service Station Is Refused

The Board of Works has refused to grant a permit for a service station at the corner of Mason-st. and McIntosh-rd., Altona North.

The application has been made by the Victorian Baptist Home Missionary Society, the owner of the land.

It was refused on the grounds that a service station would not have a good effect on the amenity of the neighbourhood.

## STREET COSTS WERE CHEAPER

The actual costs of two street schemes in Altona have proved to be lower than expected.

Saving of \$6494 was made on the kerbs, channels and pavement in Marion-st. between Millers-rd. and Mason-st.; and in First, Second, Third, Fourth, Fifth, Sixth and Seventh-aves.

Estimated cost was \$95,785. Actual cost was \$89,290.

Saving was about \$464 a foot. A saving of \$94 was made on construction of roadway, kerbs, channels and drains in Railway-st. North between Rose-st. and Grieve Highway, on the construction of paths in front of Lots 68 to 62.

Estimated cost was \$7756. The actual cost was \$6855.

Saving was about \$1.27 a foot.

WESTERN SUBURBAN F.L. — UNDER-18

# Altona Move Closer to the Premiership

In their first match at home since May 7, the Under-18's eclipsed Werribee to maintain their unbeaten record and have moved a step nearer this year's premiership.

A good crowd was in attendance, and although there were some pools of water lying about the ground, it was in fairly good condition. A slight wind favoured the northern goal and Werribee won the toss.

Ian Haugh was back in the team instead of Jeff Holden, who became 20th man.

Altona were first into attack with strong ruck play and Sam MacFadyen dropped Wenlock's long kick in the goal square, but recovered quickly to boot first score of the match—a goal to Altona. Boyle was enjoying the mud baths and his strong play helped to keep the pressure on Werribee and enabled Calaz to mark and kick second goal.

Thompson was in fine form on the wing and combined well with Zapart and Crump to repulse Werribee's attacks, and Lawson found Duncan—a long way from the centre—and up came Altona's third goal.

Werribee went into attack with long kicks, but Newton and Crump were in the way and

again Calaz kicked truly for the fourth goal. Werribee were not to be denied and with long kicks scored a goal and a behind.

Haugh's kick-off was marked by Boyle who was setting a wonderful example with his strong, fearless play and Altona were on the way again, but Walker was off target for a point and when Werribee missed an easy shot, Altona led at quarter time, 4.1.25, to 1.2.8.

Page flew high, but his timing was astray and Werribee were first to score a behind.

Starting to play better football in the conditions and with Boyle and Wenlock well on top in the ruck, Altona attacked for Boyle to punt the fifth goal. Sam MacFadyen marked well, but

was off target in the next attack.

Wenlock marked deep in the pocket, and his 65-yarder just beat the stretched fingers of the Werribee fullback for the sixth goal. Patton twisted and turned but scored only a behind and then Werribee hit the post with a long shot.

Back came Altona and again Patton missed. Wenlock, who was marking everything, that came his way, was in position to mark the kick-off and bring up goal No. 7.

Werribee attacked, but short passing made the task of the Altona defenders much easier and Crump, Taylor and Haugh had no difficulty in stopping the advances.

Behinds by Duncan and MacFadyen followed and then Werribee missed a sitter—only a behind.

Back came Altona and with clever play Jensen found Lawson and another goal followed. Page missed from close in and Calaz marked five yards out as the siren sounded and to everyone's amazement, he too missed and at half-time with Altona 8.8.56 to Werribee 1.5.11 the game seemed to be all over.

Upon resumption Altona drove forward through Thompson and Zapart for behinds to Patton and Duncan.

Closing up the game at every opportunity the Werribee backs were on top at this stage, but the strong Altona half-back line was just as impassable. It was a hard game at this time, but Alan Davis broke free and his long kick put Altona into attack, where Lawson found Calaz for first goal of the term.

Over 20 minutes of the quarter had gone as McIntosh three times in a row broke up Werribee attacks with strong marks and straight ahead football.

Again Calaz secured for another goal, but his next shot was worth only a point and Werribee managed their only score of the quarter—a behind—just before the siren ended a dull third term with Altona leading 10.11.71 to 1.6.12.

The locals were in dire troubles at three-quarter time with injuries, but no changes were made immediately.

Crump went into the ruck, Wenlock to centre half-forward, Lawson to half-back flank and Boyle and Newton changed places. Altona were first to attack and Calaz followed his first miss with a swinging left foot goal. Werribee attacked and despite determined defence by Taylor and Boyle, scored a behind.

Zapart (injured) was replaced by Jeff Hardham and Wenlock hand passed to Jensen on to MacFadyen and Calaz finished off the attack with a goal.

Haugh (injured) was replaced by Holden and Newton went to full back and Wenlock (injured) to full forward. Werribee scored two behinds and then with clever football, Duncan hand passed to Calaz for a goal.

## Metro. Football League—Reserve Grade

### ANOTHER WIN FOR RESERVES

Showing vastly improved teamwork, the Reserves convincingly defeated East Brunswick by 35 points.

"Sticks" Stephenson, playing his first game for the season, displayed brilliant form and should be an acquisition to the side for the rest of the year.

Also, K. Thompson and John Butterworth played solidly in defence, ably assisted by "Bull" Meddings. Of the forwards, Ian Rielly showed his best form for the season, benefitting from the fine play of Bill Wooding (centre) and Peachy (wing).

If this side continues to improve we predict fourth place on the ladder is not beyond them. After losing the first five games this would be a great effort. It's up to you, lads.

FINAL SCORES: Altona 10.8.68, d. East Brunswick 5.5.35.

GOALS: Stephenson 4, Buckingham 2, Drew 2 and Ennis 2.

BEST: Stephenson, Wooding, K. Thompson, I. Rielly, Butterworth, Douglas, Meddings and Douglas.

#### NEXT GAME

Next Saturday Altona meet Brunswick District at Altona at 1.30 p.m. sharp.

## METROPOLITAN FOOTBALL — SENIORS

# Altona Lose to Northcote Park

Northcote Park, with a brilliant last quarter, ran out easy winners against Altona in the senior division of the Metropolitan Football League last Saturday.

The first quarter started with the Parks into attack, and a goal by Coulson (NP) within minutes. Two more goals to the experienced Coulson and Altona were in trouble.

The locals steadied and intelligent play by Duncan saw their first major. Rohleder was setting a good example and cleverly snapped Altona's second.

Under shocking conditions, the Altona team was up to the task of a good example of off-handling and the standard of football was high.

Yorke and Robin Petersen were battling desperately in the ruck and giving good service. Northcote attacked, but only points resulted. Duncan, playing well on a half-forward flank, kicked his second and Altona's third goal. Play see-sawed and the quarter ended with Altona nine points down.

The second quarter started with Altona battling to reduce the leeway.

Billy Thomson was playing strongly on his centre wing and his disposal was accurate. John Duncan flashed in with a left foot for a goal and Altona were right back in the game.

Northcote Park attacked and had the ball on their forward line for a series of behinds only. Graham Morrish was doing a stirring job at centre half-back and Tim Gurry was assisting him with determined and purposeful play. Noel Rohleder was roving intelligently and made the most of an opportunity from a hard angle.

Parks attacked again, but Ian Harris was well on top of Coulson and cleared the ball with strong dashes.

Northcote missed an easy chance and half-time came up with Altona 13 points down. Inaccurate kicking by Northcote had lost them the chance of a bigger margin at the long interval.

The third quarter developed into a hard slogging contest with neither side able to gain a break.

Austin Molloy was roving well, ruckmen Mario Piovesan and Del Yorke battled gamely to try and force Altona ahead. A strong mark by Piovesan was ignored by the umpire and seconds later players were confused again when Harris appeared to mark cleanly, but was not paid.

Big John Petersen was limping, but battled on. Altona was hanging on grimly and Morrish, Harris and Gurry were turning out the opposition with strong play.

Not enough purpose up forward cost Altona chances and when the quarter ended Altona

were one point down. This had been their last quarter and they could have been in front had more determination been shown around goal.

The last term saw Northcote Park quickly into attack.

A scrimmage on the half-forward line and Morrish staggered out with broken nose. This was probably the turning point in Park's favour. Morrish, who had completely curbed the opposition at centre half-back, came off to go to hospital, and Northcote got on top. Altona could not stem the tide and Parks took the game away and ran out easy winners.

FINAL SCORES: Northcote Park 16.24.120, d. Altona 13.6.84.

GOALS: Rohleder 4, Duncan 3, R. Petersen 2, Harrington 2, Piovesan 1 and Skelley 1.

BEST: N. Rohleder, W. Thompson, G. Morrish, J. Duncan, D. Yorke, T. Gurry, I. Harris, A. Molloy and M. Piovesan.

#### LADDER

The battle for the final four is wide open after the end of round one, and seven teams have a chance.

Team	W	L	D	Pts.
Reservoir	8	1	0	32
East Hawthorn	6	2	1	26
Altona	6	3	0	24
Northcote Park	6	3	0	24
Fairfield	5	3	1	22
Thornbury	5	4	1	20
East Brunswick	5	4	0	20
Bellfield	2	7	0	8
Richmond Dist.	1	8	0	4
South Melb.	0	9	0	0

#### NEXT GAMES

Two games will be played at Altona next Saturday. The seniors meet the powerful East Hawthorn and the winners will move into the coveted second position. This is a must for Altona and spectator support is needed.

Just as important is the clash between the vastly improved reserves and second on the reserves ladder Brunswick Districts. This game will commence on the old oval at 1.30 p.m. and the locals are eager to make it their fifth win in a row.

#### A.C.F. SPECIAL EFFORT—TWO DRAWS

313, 148, 549, 60, 125, 377, 507, 374, 233, 277.

A general meeting will be held at the clubrooms on Grant Reserve on Monday, July 3.

Back came Altona wide down the pavilion wing and "Moose" Wenlock went down and was

FINAL SCORES: Altona 15.12.102, d. Werribee 3.9.27.

GOALS: Calaz 8, Wenlock 2, unable to take his free. Calaz again made good position to receive from MacFadyen and as Wenlock hobbled off the home side was left with 17 players.

With a loose man Werribee attacked and scored their second goal for the game. Walker, who had not liked the muddy conditions, brought up Altona's 15th goal and then Werribee, appreciating their loose man, scored a goal. Altona were in attack as the game ended with the locals clear winners.

Boyle 1, Duncan 1, Lawson 1, MacFadyen 1 and Walker 1.

BEST: Crump, Duncan, Newton, Page, P. Thompson, D. Boyle.

A special vote of thanks to Mrs. Margaret Thompson, who ran the special effort and helped Geoff in the canteen. To Mr. Mick Patton (gatemanager) and to Mr. Bob Rose (timekeeper for Werribee) for his help.

Next Sunday Altona are at home again to Central Altona and another good game should be witnessed by supporters.

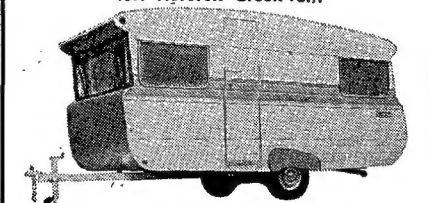

The Altona Car Sales Trophy was won by Martin Crump.

## CAMERA CLUB BUYS FILM PROJECTOR

The recently acquired enlarging equipment is already in demand with members now producing prints which are all their own work. Most club members have been developing their own film for some time and the advent of the enlarger and associated parts gives them every reason to progress further.

Still another addition to club equipment for use by members is a 35 mm Slide Projector. This item fills another gap in the necessities of a camera club and demand is expected to be heavy during the winter months. Custodian of the Projector is Bill Gunn of 25 Blyth Street, Altona.

Winter is not a time to put cameras away until the summer weather arrives. Portable sunshine can be brought into the home which is designed for camera use, and can give pleasing results. At the next club meeting on Friday, June 30, at the Home-stand, Queen Street, members who bring their cameras with them will take part in Table-Top Photography, an ingenious and amusing way of indoor photography.

## Table Tennis Titles Next Week

Western Suburbs Table Tennis Association pennant matches will be suspended during next week, June 26-30, when the association will hold its annual championship series. As usual, the venue will be the Table Tennis Centre in Garden-st., Williamstown.

Interest in the quest for title honours this year is very keen. In most grades there are no undefeated players. B2 is a notable exception where Alan Coustley reigns supreme, but in A and most other grades, all the top players have been beaten, although not often.

### JUNIOR COACHING CLINIC

Saturday, June 17, was a busy afternoon at the Centre, when senior players of the WSTTA commenced the coaching clinic for junior players. Most progressive among the juniors were Stephen and Helen Hayes, Glenn Phelps, Terry England, Dale Liston, Denise Lee, Eileen McCormack, Tom Zombola and John Noble.

There are still vacancies for other junior players interested. Inquiries are invited at the table tennis centre any evening, or on Saturday afternoons at 2 p.m. Officer in charge is Roy Warrior, of Fourscrey Club, who was the runner-up in the 1966 singles championship.

### VICTORIAN CHAMPIONSHIPS

Entries for the important Victorian series of title events close at the Victorian Centre, Albert Park, on July 9. Quite a number of Western Suburbs players complete in these events, and last year Robert Faust, of Seagulls Club, won the A Grade Men's Special Singles Championship of Victoria. The 1967 title series will be held at the Albert Park Centre on July 24-28.

## Engineer Answers School's Questions

The deputy shire engineer, Mr. A. V. Jokubauskas, is inspecting broken playground equipment on Cooper Reserve at the request of Altona East Primary School students in the Junior Council.

Other questions brought by the school in Junior Council were: Has anything been done about telecasting the Junior Council meetings?

The shire secretary, Mr. J. W. Waters, stated that TV stations have been contacted with a view to telecasting the Junior Council meeting but to date nothing has been done and no negotiations entered into. The council would like the Junior Council meeting to be televised during Education Week, on Monday, August 14, 1967.

Could the council supply gravel near the gate to Altona East Primary School on Cooper Reserve? The school would be willing to spread the gravel.

The deputy shire engineer pointed out that the council intends to regrade and sow Cooper Reserve as soon as more rain has fallen.

Is it possible for the garbage collector to collect more than one bin each week?

Cr. Ginifer said the garbage collector should collect two bins once a week. This matter was referred to the Junior Council to find out what properties were missed and on what dates they were missed.

Could the council erect more bike racks at the branch library at Altona East?

The deputy shire engineer said that only one set are in use at the branch library, but a second set has been ordered and will be erected as soon as they arrive.

Cr. Ginifer asked the Junior Council to ascertain the number of bikes that would be parked outside the library and the number that could be accommodated by the present bike racks.

Three weeks ago Mason-st. residents received a questionnaire regarding the State Electricity briquette depot. They were informed that their answers would be collected within one week, but to date they have not been contacted.

The shire secretary thanked the junior councillor for this reminder and stated that two health inspectors are collecting these questionnaires during the week and on Saturdays. Perhaps these residents have not been at home when the health inspectors have called, he said.

## 2nd Altona Scout Activities

### OPAL SHOWING NIGHT

There will be an "Opal Showing Night" on Wednesday, July 6, commencing at 8 p.m. in the Presbyterian Church Hall, Parlinga-rd., Altona North.

Admittance is 25c for adults, and 15c for children. Ladies are asked to bring a plate.

The special effort run by Mrs. Fitzgibbon was won by Mrs. Rabillard, 3 Conway-cr., Altona North.

### CUB PACK

Five boys were invested into the 2nd Altona Cub Pack on Monday, June 19.

Parents, there are still a few subscriptions outstanding, so would you please forward these either to the scout master, cub master, or Mrs. Fitzgibbon, 29 Valerian-ave., Altona North.

## GIRLS' BRIGADE WEEK 1967

The Altona Girls' Brigade has set aside June 19th to June 26th as its Girls' Brigade Week, 1967.

'Girls' Brigade is open to any girls between the ages of six and 18. Its program covers the four aspects of a girl's life — physical, education, social and spiritual. The Altona Company is attached to the Altona Baptist Church.

Brigade Week is the only occasion during the year when an appeal is made outside the Company for donations to help the work. The rest of the year finance is raised within the Company.

Can you help us this week? Donations may be given to any member of the Girls' Brigade or to the Baptist Manse, 62 Blyth Street, Altona.

## TIP SMOKE UPSETS STATE SCHOOL

Brooklyn West State School is concerned at the fires and smoke on the Altona Shire Council tip.

Cr. J. J. Ginifer told the Students in Junior Council that some firms have been dumping material in the tip which has caused excess amounts of smoke. These firms have now been notified that such material will not be accepted at the tip and, therefore, this problem should now be overcome.

The school also asked could the footpaths opposite the school in Rossa-ave. please be repaired. It is felt that the footpaths have been damaged by trucks crossing the paths to enter land on which houses are now being erected.

Cr. Ginifer said that builders must lodge a vehicle crossing deposit with the council when a building permit is applied for. Before this deposit is refunded the footpath is inspected by the building inspector and any damage is deducted from the amount of the refund. Council then arranges for the footpath to be repaired.

Could something be done about the posters placed on council property such as the underpass opposite the Central Hotel and bus shelters, the school asked. The deputy shire engineer, Mr. A. V. Jokubauskas, said that council properties are inspected about twice a week and any signs are removed. The students thanked the

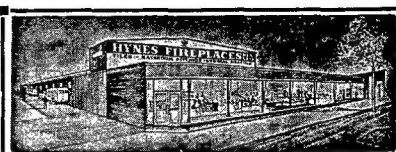

## School Presses For Theatre in Altona

Altona High School students want a picture theatre opened in Altona.

At the last meeting of the Junior Council they submitted the following points in favour of the idea:

- We already have a drive-in at Brooklyn and young people cannot go unless with their parents or someone old enough to have a driver's licence;
- Where could we put another drive-in? There are more suitable settings for an indoor picture theatre than an outdoor drive-in;
- An indoor theatre could prove more profitable because if suitable films are shown it may well mean an afternoon outing for the young children (approximately 10-11 years) which would probably be spent at home; and
- An even more profitable venture would be to make the theatre so that it would be possible to clear the seats away and use it for a dance hall (of which Altona is sadly lacking). Also, if a stage was put in it could be used for various stage productions — Altona High School's annual Gilbert & Sullivan productions, for example.

You've never driven a car like the Falcon 500.

First, there are the lithe, lean lines inspired by the fabulous Mustang!

Inside there's the roomiest and most luxurious interior of any car in its price range, with insulating and sound deadening materials completely surrounding the passenger compartment for a ride as silent as they come. Plus a host of safety features including a fully padded dash, windscreen washers and seat-belts.

Falcon 500's handling is remarkable because it's the first car to bring you the extra

stability of Wide Stance wheel design — a track that's far wider and a wheelbase that's far longer than have ever been engineered into a car near Falcon's price. Add to this more precise steering, extra-low-profile tyres, and chassis-type Torque-Box construction and you've a ride that's absolutely unbeatable.

As for power, the standard engine is now an even more responsive "Pursult 170". Or you can choose between the 121 h.p. "Super Pursult 200" or the big new 200 h.p. "Mustang 289" V8.

## WESTERN SUBURBS DARTS ASSOCIATION

### ALTONA WORKING MEN'S CLUB DISPLACED AS LEADERS

In defeating Exchange Hotel 13-0 last week, Newport have taken over the Altona Working Men's Club as leaders in Division 2 on percentage in the darts.

Consistent playing by Newport, who have two recognised players in Mike Simmonds and the old stalwart, Alby Thorogood, must be regarded as a definite threat for the coveted premiership pennant.

AWMC suffered their second defeat in a row when they were downed by YARRAVILLE No. 1 by the odd game.

Owing to foggy conditions the previous week, many games were postponed and it is not possible to give an indication of the premiership ladder positions.

ASHLEY No. 1 has withdrawn from the competition, thus again creating a bye in Division 1.

Considerable picked up two premiership points when RACECOURSE No. 2 arrived without their captain and vice-captain, thus giving a walkover, as the team would not play without them.

WERRIBEE accounted for the BRIDGE HOTEL by the odd game.

YARRAVILLE No. 2 travelled to SUNSHINE GOLF CLUB only to find that a ladies' night was in progress. This is now to be sorted out between the two clubs.

As per usual, no notification has been received from ASHLEY SCRATCHERS or ASHLEY PATRONS games, and it looks as though the Association will have to commence fining clubs who do not phone through the scores. BRISTOL maintained its unbeaten run when they defeated GOODRICH No. 1.

However, GOODRICH No. 2 notched their second win when they travelled to Werribee and defeated RACECOURSE No. 1. Apparently time ran out and the teams game was not completed.

LAVERTON, at home to ICI, scored a convincing win. Laver-ton is now gaining some new players who could start them up the ladder from here on.

SUNSHINE RSL took out CENTRAL 8-5 after a hard-fought match.

It is hoped that all postponed games will be played by next week, then a proper ladder can be published.

### RESULTS FOR JUNE 8

## ANNUAL MEETING OF BOWLERS

The annual meeting of the Altona Bowling Club will be conducted next Monday, June 26, at 8 p.m.

Members are urged to please take note of this date and make every effort to attend.

Office-bearers for the coming year will be elected and members chosen for the various sub-committees.

At present there are vacancies for members and associates. Any interested persons are asked to contact the club secretary.

Last Saturday a successful picture night was shown by Ampol representatives. Over 100 members, associates and friends enjoyed films on oil exploration, world championships bowls, Central Australia and the Australian Surf Championships.

## 1st Altona Scouts News

### BOTTLE, RAG DRIVE

The bottle and rag drive held last Saturday by 1st Altona Scouts was well attended and a considerable number of bottles and rags were obtained. Thanks to the Dads and lads who turned up.

The Group also wishes to thank members of the public who so generously came to the party with bottles and rags.

### SCOUT DANCE

The dance was attended by approximately 60 young people who danced to the "Kult" band, who so generously donated their services and time to help the Jamboree Fund. Thanks a million, boys.

A most enjoyable evening was had by all, made possible by the many helpers to whom the Group depend and rely on. Thank-you.

### GROUP COMMITTEE MEETING

There will be the usual Group committee meeting on Monday, June 26, commencing at 8 p.m. All welcome.

## Letter to the Editor

Dear Sir, — Let me say at the outset, I am not involved in the Paringa Rd. Demolition, except insofar as no man is to be land. This applies to all of us in Altona. What is happening to the people of Paringa Rd. could happen to any of us for one reason or another.

What has happened so far? I believe Councillor Lee managed, on the flimsy pretext of partial affection, to manoeuvre Councillor Fisher on the Paringa Rd. Committee. What property of Councillor Fisher is affected?

When nominations were called Councillor Lee insisted that no more than three could be heard by the Council. There were three nominations to be put to the vote, therefore a risk that Councillor Fisher might not be among those elected so Councillor Lee increased the representation to six. I presume to ensure Councillor Fisher's inclusion to guide the committee on a course desirable to the Council.

Councillor Lee's statement regarding the possible withholding of council consent from the approval of the highway is eye-wash. The highway will go on just the same. It is hypocrisy to suggest otherwise. Councillor Lee should avoid carefully any possible suggestion of conflict between his own interests and those of the Paringa Rd. people. The people are in error if they think the Press is on their side. The Press is only interested in news and people who will not stand in the way of progress are not news. I suggest that one stayput is of more news value than over a hundred who will not stand in the way of progress.

And what is this progress? Is it progress for Burgocrats to lay concrete ribbons over people's homes. You may say "what can we do?" — "If we fight we cannot win." The pages of history are full of people who could not win, but who, still fought. Make this Authority fight for every brick of every house to be demolished. Stand in the way of this so called progress, hinder it at every step until you get justice. Justice like freedom has to be constantly fought for. The price of justice and freedom is constant vigilance. Form an Action Committee and keep it clear of politics, politicians and Estate Agents.

Finally the Committee might ask two pertinent questions. We have councillors who have been on the Council for years and one on the Board of Works planning committee — is it conceivable that they knew nothing of this? That they did not even visualise the possibility? It is not enough to say We did not know! Altona has an uncertain future in the hands of planners such as these.

Yours faithfully,  
— H. V. JEAVONS

## LAURIE ALLEN SPEAKS TO "STAR"

Recently the "Laurie Allen Revue" appeared at "Bus Stop 1," Werribee, and I took the opportunity to ask Laurie Allen the following questions:—

"Why did you shave off your moustache?"—Because it got in my Coke and annoyed me every time I had soup. (Laurie grew his moustache shortly after his split with Bobby Bright.)

"Do you think the 'Revue' will have more success than the 'Bobby and Laurie' duo had?"—I think the success of our current release will determine this.

## John Thomas Joins "Frantics"

John Thomas, formerly with "The Files," has joined Melbourne group "The Frantics" reports Jimmy Lane in a letter to the "Star." Jimmy, who is lead guitarist with the group, says "The Frantics" were formed about three years ago and they have been playing around the Melbourne disco scene for about 18 months. Already several numbers have been written by Jim and John and they hope to record these in the near future.

Other members of the group are Graham Walsh (bass) and Mike Hardie (drums). By strange co-incidence I remember Graham Walsh, as used to work with him about five years ago and we had hopes of forming a group. He certainly seems to be doing alright for himself now.

## GOSSIP

New Melbourne group, "The Gypsies," have adopted the beatnik-like trend of America's "Mamas and the Pappas." Melbourne "Battle of the Sounds"—JULY 3. Geelong group, "LSD," are looking for work. Watch out for a new look in the "Clan 5." Seen in Pier-st. on Queen's Birthday—(G)WIGGY displaying Melbourne's latest range of wigs. Peter Doyle has changed recording companies. New Naval Disco goes by name of "Charlie Brown's Closet."

"Running, Jumping, Standing Still" off to Sydney soon. The long expected split of the "Black Pearls" has come about. Latest arrival from Western Australia is Chris James.

Possibility of a big '66 group in this area soon. Paython Lee Jackson on tour shortly. Most psychedelic disco in Melbourne at present is "Ginza." When they play at "Bus Stop 1" this week, "The Groop" will be minus bass guitarist Max Ross, who is still recovering from a car accident.

New group "Andy James Asylum" is led by ex-singer of "R.J.S.S."

## DANCE FRIDAY

## Local Scene

"Us Wot Motivate" have given Willard King away and are now under new management.

They'll probably be appearing at "Bus Stop 1," Werribee, soon so look out for them.

It is rumoured that they may be changing their name, but I'm not so sure that you girl will like that.

Anyway, you can voice your opinions to them at the Civic Hall on Friday night.

The "Individuals" are now under the same management syndicate as "Us Wot Motivate."

Unfortunately they applied to enter the Melbourne "Battle of the Sounds" a little too late, but not to worry, they're still good group.

Watch out for a story on these boys soon.

Their fan club address is: C/- Miss Rhonda, 6 Heather-grove, Springvale.

"Kult" getting with the "Butterfield" sound.

## SLOT CAR HINTS

By Nev.

As you assemble your first kit stick strictly to manufacturers' instructions.

By gaining experience you will soon be able to experiment with "hotting up" methods, but basic knowledge is needed first.

Never be too proud to ask for help when uncertain about any facet of the sport. One day you in turn will be only too happy to help an up and coming beginner.

## DISC DIARY

"The Kinks" are back again with "Waterloo Sunset"—like wise the "Lovin' Spoonful" with "Six O'clock."

Dave Dee and company have a good recording in "Okay."

"Walkin' in the Rain" might explain why the "Walker Bros" broke up.

A come back for the "Everly Brothers," who sing "Bowling Green."

Meanwhile the British equivalent—"Peter and Gordon"—has released "The Jokers."

Watch for newies from "The Hollies" and "The Turtles."

## NEXT WEEK

See this page next week for an exclusive interview of PETER DOYLE and his talented backing group—"Grandma's Tonic."

"Procum Harum" is the latest big group to hit the scene in Britain.

"Weasel" and "Sals" have a leggedly just returned from Sufers.

"Grandma's Tonic," the badging trio of Peter Doyle, have red-hot line-up.

Brooklyn group the "Strollin' Pebbles," have changed their drummer.

"Aches and Pains," the Sunshine group, have big ambition

• Pictured above (left to right) are Laurie Allen, Michele Kennedy, Richard Jones, Manfred (centre), Barrie Rodgers and Coleen Hewitt. —Photo courtesy "Go-Set."

"What is the ultimate ambition?"—To go overseas.

(One of the main reasons for the split up of Bobby and Laurie was the fact that Laurie wanted to go overseas and Bobby did not.)

Laurie LIKES (above all) girls. DISLIKES telephones and hypocrites.

He describes show business as a nervous breakdown from beginning to end.

The Laurie Allen Revue comprises two guitarists, drummer, two female singers and Laurie.

The two girls were formerly "The Creations," who appeared on "Dig We Must."

I feel that they tend to steal the show from Laurie as their harmony masks his voice which doesn't come out the same way it did when he sang with Bobby.

Fortunately Ray Brown appeared at Werribee the week before Laurie—he would have been foaming at the mouth after hearing Laurie's abstract version of "Midnight Hour."

Laurie has become a connoisseur in what he wears and his present guise isn't unlike that of a "mississippi gambler."

## Laverton Report

Taking a cruise around Laverton this  
week-end I noted with pride that all res-  
erves are now fenced in and the grass is  
growing.

I say "with pride" for this is a young and lovely  
town and we all should be proud of it.

The sub-contractors certainly  
made an excellent job, but, you,  
the ratepayers paid for it! A  
cost of several thousand dollars,  
is not to be considered a minor  
undertaking and it is you, the  
ratepayers who will have to pay  
time and time again if you do  
not report the vandals that are  
at work.

Last week the gate in Allen  
St. was ripped right off its hinges  
and the securing chain and  
padlock severed. Two residents  
replaced the gate and for their  
efforts find that once again the  
gate is lying on its side. Fair  
go kids!! Take your horses  
down the creek.

It had to happen! They have  
put 'up that "Laverton Exit"  
sign.

I understand that the cost of  
horses being taken to the 'pound'  
became quite costly for a Lav-  
erton man recently. I would  
suggest that horse owners make  
certain that they are secured  
privately, especially since the  
'pound' is in fact NOT two dol-  
lars.

A Directress of Laverton Kin-  
dergarten has been appointed  
and confirmation will be made  
on Friday night, 23rd June.  
The Shire Engineer (Mr. Mc  
Cormack) is to be congratulated  
on the erection of luminous signs  
at the corner of Old Geelong Rd.  
and Bladin St. some SIX WEEKS  
AGO! I must apologise for  
not having mentioned them be-  
fore, they are a tremendous ad-  
vantage. Now all we need is  
Lights at the 'TOP END'!

that the ranger (Mr. A. Robin-  
son) has been around our streets  
and 'nabbed' a few strays. I  
had cause to 'pound the beat'  
of the 'top end' of Laverton on  
Saturday and I am very pleased  
to say that I was only (nearly)  
bitten about four times. I pity  
the postmen!

There was a collision between  
two cars at the intersection of  
Aviation and Geelong Rds., in  
which Mrs. Eileen Payne (an  
employee of Fleetways) was  
critically injured — the three  
occupants of the other car all  
received injuries and were taken  
to Footscray Hospital.

It is believed that Mrs. Payne  
was on her way to work at about  
4 p.m. on Saturday when the  
accident happened. There was  
a third car at the scene and po-  
lice are anxious to interview the  
driver or witnesses that may be  
able to help in the investigation.

Do you think anyone will ever  
have the "Courage" to open a  
pub in Laverton? Methinks it  
will be another five years at  
least before this sad, sad day  
(I don't drink!) but if all the  
drinkers put their spare cash  
together they might be able to  
buy a community pub. Unfor-  
tunately they would have to  
"lay off" to pay for it.

I gather that the cost of a  
pub is roughly \$30,000 and a  
swimming pool roughly \$20,000.  
Why not buy a swimming pool  
full of amber fluid? (Stop drool-  
ing Dad).

Willie the Wag tells me his  
wife is back again (sunburnt?)  
Wonder where she went? First  
day back poor Willie had to  
chop a week's supply of wood to  
keep the lounge at 85 deg. Un-  
fortunately he caught a cold in  
the back and had to take pills  
(you know the ones). He took  
so many his wife complains he  
rattles every time he turns over.  
Good job she didn't come back  
last week! he quipped. "Every  
time I turned over — I slosh-  
ed!"

Oh well! More next week.  
"FROG".

### ALTONA LOSE TO WERRIBEE

Showing greater determination  
and more initiative in the west  
conditions, Werribee proved too  
strong for Altona and defeated  
them 8.11-39 to 5.4-34.

After leading until 10 minutes  
before half-time, Altona once  
again showed a lack of con-  
centration causing loose play on  
the backline, allowing several  
goals to go through the un-  
guarded goal, thus letting Wer-  
ribee make better use of their  
opportunities.

A newcomer to the side in  
Mick Cahill showed distinct pro-  
mise and will be an acquisition  
with a couple of games under  
his belt.

GOALS: Walsh 2, Stephenson  
2 and Flett 1.

BEST: Hardham, Chatfield,  
Stephenson, Patteras, Flett,  
Walsh and Cook.

Leading goalkickers for the  
year are: G. Stephenson 19, S.  
Chatfield 16, K. Flett 8, G. Walsh  
8 and I. Hhardham 7.

## DEPUTATION MEETS MINISTER

Continued from Page 1.  
Mr. Porter was invited by Altona Shire Council to attend a meeting of the people in Altona. However, as he was unable to come within the next four or five weeks, Mr. Porter invited representatives of the petitioners to come to his office.

A petition, signed by 140 people, was presented to Altona council last week.

The Hon. A.W. Knight, M.L.C., who organised the date and time, will introduce members of the deputation. Included will be the committee formed by residents and led by Mr. Bill Sommers and Cr. A. J. Fisher, Cr. E. W. Lee (representing the council) and shire secretary, Mr. J. W. Waters.

Another 15 residents of Altona North and one garage owner have received letters from the CRB stating that their properties will be partially affected by the new freeway.

Previous letters were to rate-payers who will be losing the whole of their properties.

However, the Board states that at this stage it is not possible to define to what extent the freeway will effect these residents. But it is not anticipated that any of these 15 houses will be removed.

Altogether, 29 of these letters were sent to owners along the freeway route. Several large factories will probably lose some land.

Altona properties concerned in the latest group of letters are six properties in Primula-ave.; Nos. 19, 21, 23, 25, 27, 29; Michael-crt.; Nos. 1, 6, 7, 59; Rossa-ave.; Chambers-rd.; Nos. 158, 173, 72; Irwin-ave.; Bevers-st.; No. 14; and the Ampol garage beside the sixteen shops in Millers-rd.

## ALTONA CAR SALES

### STAN MCINTOSH SAYS . . .

Dear Readers,  
This week I would like to write about the purchasing of a car with the idea in mind of going away during the school recess, which is not very far away.

I know, speaking as a family man, that taking the children away for the day or for the weekend is lots of fun for the children, but can become a little bit of a strain on the driver, even more so if the car you have is not functioning properly.

You might be in a position where you don't possess a car and would really like to go away for a holiday and you say to yourself: "I can't afford one."

Don't let that worry you. We have cars in stock to suit everyone's pocket, repayments from three or four dollars per week. Good cars, clean cars and reliable cars. As we have five car yards and our stock would be approximately 300 cars.

Don't be reluctant to come in and have a chat with us, we don't high pressure you, but would be only too pleased to explain how to buy a car on simple, easy repayments, one that you would be proud to own and feel confident in for that holiday weekend or a day's outing.

Yours sincerely,  
STAN MCINTOSH.

## WESTERN SUBURBAN FOOTBALL LEAGUE

### Newport Move Back into Four

The Open Age four in the Western Suburban Football League has developed into an interesting battle, with Maidstone the only consistent occupant of the four.

In Under-18, Altona downed their biggest threat, Werribee, by 75 points, to take a firm grip on top place in the four; but in Under-16 Werribee turned the tables and beat Altona by 25 points.

#### MATCH RESULTS

##### OPEN AGE

Maidstone 12.13-85 d. West Newport 9.6-60. Newport 11.13-79 d. Laverton 9.11-65. RAAF 14.12-96 d. South Kingsville 2.4-16. Central Altona had the bye.

WEST NEWPORT, weakened by injuries, made their own task harder to make the four by losing to Maidstone by four goals.

West also lost the services of a stalwart in Ian Fleming, who has given them great service, but now finds the younger brigade a bit harder to keep up with.

West used two of their Under-16 players in the Open Age last Saturday.

Both these boys have shown good form and fully deserved their places in the side.

One of them, Larry Ryan, has played with all three West Newport teams this season. He has been playing with West for a number of years, and although only 15 years old, has played almost 100 games with the club.

The unpredictable NEWPORT tricked the tipsters again by defeating LAVERTON in a close game at home where all but one of their wins have been achieved this season.

RAAF had a timely win against SOUTH KINGSVILLE, who did not seem to play as well as they have against the top sides.

##### UNDER-18

Altona 15.12-102 d. Werribee 3.9-27. Newport 11.9-75 d. Laverton 9.16-70. West Newport 14.9-91 d. Central Altona 5.12-42.

NEWPORT came good at last, scoring their first win by five points over LAVERTON. Scanting victory early in the match, the Newport lads, aided by the visitors' inaccuracy, put everything they had into the game and deserved their win.

WEST NEWPORT and CENTRAL ALTONA was an even tussle throughout, but West were steeper in front of goal and forged ahead while Central could not get enough shots to go through the big sticks.

##### UNDER-16

Devon Park 6.12-48 d. Newport 3.3-21. Werribee 8.11-59 d. Altona 5.4-34. West Newport had the bye.

DEVON PARK scored their first win for the season against NEWPORT, who spoil their own chances by trying to correct the umpire.

#### NEXT GAMES

Games to be played this weekend (with likely winners in bold type) are as follows—

UNDER-16 (10 a.m. Saturday)  
Werribee v. West Newport.  
Newport v. Altona. Devon Park have the bye.

OPEN AGE (2.30 p.m. Saturday)  
South Kingsville v. Newport.  
West Newport v. RAAF.  
Central Altona v. Laverton. Maidstone have the bye.

UNDER-18 (2.30 p.m. Sunday)  
West Newport v. Newport.  
Altona v. Central Altona. Laverton v. Werribee.

## Good Soccer Win Puts Altona Back on Top

After a great win over Park Rangers, Altona are back on top of Division 2 in the metropolitan soccer.

Altona played a brand of soccer which ran the opposition into the ground, fast, man to man passing and "king for a day" was Billy Coles, who easily played his best game and scored the first two goals.

Altona kicked off and with brilliant soccer launched attack after attack. Steve Herman shot over the bar from close in and Craig Copley at outside right, spreadeagled the Ranger defence on several occasions. Bad luck robbed Altona of an early goal. However, with copy-book play the team combined together and Billy Coles finished a move with a left foot drive, beating the goalkeeper all ends up.

But after scoring this goal Altona eased up and the Rangers came into the game. Bobby Milloy gave away a free kick and in a goalmouth scramble a Ranger player scored. Goalkeeper Ian Roberts made a valiant attempt to stop the ball, but it eluded his grasp and rolled slowly over the line for the equaliser.

This goal shocked the Maroons and neither side could settle down. Mario Grecco and Coles were playing well and Copley looked dangerous, but at half-time it was still one all.

After the turnaround, Altona showed a lot more enterprise. Barry Abbott and Kiarantos were swinging the ball around and Jablonski moved more quickly. "Prof." Wilkie opened up to Herman. Coles followed up, took the pass and cracked in number two.

It was then all Altona. Andy Rice was bringing the ball upfield, players were taking up position quickly and Jablonski, following up a Wilkie pass which eluded the 'keeper, scored a tenacious goal.

Roberts never looked like losing a goal as the Rangers were

## TECH. DRAW IN RUGBY UNION

Last Saturday the boys of the Altona North Technical School journeyed to Surrey Hills to play Box Hill High School in rugby union.

A look at the centre of the ground nearly brought gasps of despair, for the middle was practically a sea of mud. Ross Ritter led the team on to the field and play commenced when Box Hill kicked off and immediately put pressure on Altona with attacking football.

The pre-set plan of Box Hill was obviously to cut out the frills in attack and give absolutely nothing away when the positions were reversed.

In the first half Altona, mainly through the efforts of their forwards, Barry Hawkridge, Kevin Borg, Graeme Richards and Stephen Bulmer, managed to stave off the determined players of Box Hill High. Three times the ball crossed the try line, only to see the Altona lads save.

Charles Scerri and Frank Howard, who incidentally was playing his first game, were

continually under pressure from the attacking opposition wingers. Ross Ritter was leading his side efficiently and they were not letting him down. Graeme Richards was winning his share of the ball from the rucks and Barry Hawkridge was breaking ever in the line outs.

When the break came there had been no score by either team.

After half-time the tense struggle for the vital score began on until the 45-minute mark when once again the ever-resent Charlie Scerrie came in to the picture with a repeat performance of his previous two games, when he scored between the sticks after a 60-yard run.

George Neal failed to convert with a drop kick and Altona were leading 3-0. But the game was far from won. Box Hill battered their way back into the game with a tremendous series of forward rushes which would have pushed back a more experienced defence than Altona's, and in the last few minutes Box Hill deservedly scored a corner try.

Altona North Tech. fought back strongly and were in a tuck when the final whistle blew.

Credit must be given to both teams on the splendid fighting spirit and the sporting quality that prevailed throughout the game. This Altona team is beginning to settle down and with the inclusion of newer players namely Martin Kerrin, Frank Howard and Wayne Sherriff, will soon be a force to reckon with in the Under-14 A Section.

Fred Borg is still improving at full back and Graeme Richards and Stephen Bulmer are displaying the temperance needed to be goodruckmen.

#### NEXT GAME

Next game is at Langshaw Reserve, Altona North, on Saturday, June 24, against Hailesbury College.

## BIG WEEKEND FOR ST. LUKE'S

On Saturday, July 1, St. Luke's Church of England, Altona North, will hold a progressive dinner starting at 6.30 p.m. Prices have been set which will make it possible for families to attend.

Details are available from members of the Ladies Auxiliary or the Vicar (391-3096) so that catering may be arranged, entry forms should be in the hands of the Vicar by the evening of Sunday, June 25.

On Sunday, July 2, there will be a demonstration Eucharist at 9.30 a.m. This will be a family service and there will not be Sunday School at 11 a.m. that day. The Eucharist will follow the normal Sunday pattern, except that there will be a commentary given as the service progresses, and the church will be arranged so that the congregation can see the action of the Eucharist. Visitors are welcome.

## FIRST APPRENTICE TO COMPLETE TRAINING AT ALTONA PETROCHEMICAL CO

Another milestone was reached by Altona Petrochemical Co. on June 6 when the company's first apprentice completed his term of training. JIM CURRIE migrated with his family from Scotland in 1963, after having served 14 months of an apprenticeship in fitting and turning with William Beardon & Company, Glasgow. Jim joined APC in August, 1963, and on June 6, 1967, completed the remaining three years and two months of his five year apprenticeship. The photo shows mechanical superintendent, G. I. CHAMBERS and Jim inspecting a fire water pump. APC has apprentices under training in the trades of fitting and turning and instrument making.
